

USU Strategic Plan

Report of the Goal Alignment Subcommittee

James G. Smirniotopoulos, M.D., Chair

December 2002 Offsite

- ◆ Began with a Blank Page
- ◆ New Goals
- ◆ New Strategies
- ◆ New Metrics

New Goals for USU

- ◆ Education
- ◆ Research
- ◆ Military Service
- ◆ Leadership
- ◆ Stewardship

Step 2 – Reconcile w/Current

- ◆ Subcommittee Representation
 - ◆ SOM
 - ◆ GSN
 - ◆ Graduate School
 - ◆ AFRRRI
 - ◆ University Support Activities

Education

“To be the preferred academic source of uniformed healthcare education and training to meet the nation’s needs.”

Research

“To be a leader in research that fosters basic and clinical healthcare to protect, sustain and enhance the fighting force and secure the public’s health.”

Military Service

“USU Schools of Medicine, Nursing, and Graduate Science will excel in WMD, Disaster and Humanitarian Relief, Post-traumatic Stress, and Preventive Medicine.”

Leadership

“Develop and provide uniformed leaders for national healthcare service focused on combat readiness and homeland security. USUHS Alumni will achieve positions of leadership throughout DoD.”

Stewardship

“We will protect and enhance the physical and human resources of the University to maximize productivity while enhancing a sense of family and community both on and off campus.”

New Goals for USU

- ◆ Education
- ◆ Research
- ◆ Military Service
- ◆ Leadership
- ◆ Stewardship

Tasks Ahead

- ◆ Engage the Faculty and staff of the University to review and develop our Strategic Plan:
 - ◆ Small working groups
 - ◆ Town Hall meetings
 - ◆ Goal Champions
 - ◆ Specific Objectives and Strategies
 - ◆ Milestones of success to chart our progress

Thank You
